ABB DRIVE SPARES

Product Data Sheet

SRFC4620C

Filtering Board

ABB MATERIAL NUMBER	BOARD DESIGNATION	ABB COMPONENT DESIGNATION	FAMILY
3ABD00027099	**SRFC4620C**	**Filtering board**	**ABB drive spares**

ABB identifies SRFC4620C as a filtering board under material number 3ABD00027099. It is cataloged as an individual board spare.

01 TECHNICAL DATA

ABB material number	3ABD00027099
Board designation	SRFC4620C
ABB component designation	Filtering board

02 ADDITIONAL PRODUCT DATA

The ABB product record pairs the board designation with a single material number. That pairing gives maintenance and procurement teams a precise reference when matching the existing assembly and ordering the replacement board.

03 PRODUCT FUNCTION

ABB identifies SRFC4620C as a filtering board under material number 3ABD00027099. It is cataloged as an individual board spare. ABB lists 3ABD00027099 for the filtering board.

04 SYSTEM COMPATIBILITY

The ABB product record identifies it as a filtering board. Use the board marking and 3ABD00027099 together with the installed drive identification.

05 REFERENCE

ABB product data record 3ABD00027099
