

IR Link

Honeywell

- Same Order Number (GA-USB1-IR)
- Works in Windows XP and later 32 bit systems
 - If using Windows XP SP2 and older
 - To maximize data transfer speed install Windows Hotfix
 - WindowsXP-KB943198-v2-x86-ENU, available from Microsoft website)
- Backwards compatible with MicroClip and Max XT
 - Old IR Link does not work with Quattro
