Product Data Sheet

Siemens 6ES7292-1AH30-0XA0
Eight-Screw Terminal Block

Siemens 6ES7292-1AH30-0XA0 is a eight-screw terminal block in the SIMATIC S7-1200 product family. This summary is based on the exact Siemens article-number data.

01

OFFICIAL PRODUCT PARAMETERS

Article Number	6ES7292-1AH30-0XA0
Product Designation	Tin-coated output terminal block, 8 screws
Product Family	SIMATIC S7-1200
CPU use	CPU 1211C/1212C output side
Terminal count	8 screws each
Pack quantity	4 units
Contact finish	Tin-coated
Product role	Spare I/O terminal block
EAN	6940408100718
UPC	040892733280
