Product Data Sheet

Siemens 6ES7292-1AG30-0XA0
Seven-Screw Terminal Block

Siemens 6ES7292-1AG30-0XA0 is a seven-screw terminal block in the SIMATIC S7-1200 product family. This summary is based on the exact Siemens article-number data.

01

OFFICIAL PRODUCT PARAMETERS

Article Number	6ES7292-1AG30-0XA0
Product Designation	Tin-coated I/O terminal block, 7 screws
Product Family	SIMATIC S7-1200
Module use	Digital Signal Module 8CH/16CH
Terminal count	7 screws each
Pack quantity	4 units
Contact finish	Tin-coated
Product role	Spare I/O terminal block
EAN	6940408100671
UPC	040892692952
