

HDLS LSQ SERIES

Product Data Sheet

785-LSQ051

Heavy duty limit switch

FUNCTION Heavy duty limit switch	FAMILY HDLS LSQ Series	ORIGIN United States	WEIGHT 0.9 kg
-------------------------------------	---------------------------	-------------------------	------------------

Honeywell 785-LSQ051 is a Heavy duty limit switch for the HDLS LSQ Series. The values below are limited to the exact documented article.

01

VERIFIED TECHNICAL DATA

Catalog Number	785-LSQ051
Series	HDLS LSQ
Device Type	Heavy-duty limit switch
Actuator Style	Rotary operating head
Contact Function	Snap-action limit sensing
Housing Type	Industrial metal enclosure
Conduit Entry	Threaded wiring entry
Mounting	Fixed machine mounting
Operating Mode	Mechanical position detection
Field Wiring	Internal terminal connection

ADDITIONAL PRODUCT DATA

Reset Action	Spring-return mechanism
Environment Use	Industrial machinery service
Secondary Designation	LSQ051
Commissioning	Actuator travel verification
Maintenance Check	Head alignment and sealing

OFFICIAL APPLICATIONS

- Use the documented catalog number: Apply 785-LSQ051 where catalog number is 785-LSQ051. Confirm the installed hardware, field circuit and configuration before connection.
- Match the specified device type: Verify device type as Heavy-duty limit switch together with the exact terminals, companion equipment and approved engineering record.
- Complete the maintenance check: After installation, perform head alignment and sealing, review diagnostics and save the measured result before returning the equipment to service.

SYSTEM COMPATIBILITY

Match 785-LSQ051 to the installed HDLS LSQ Series, complete wiring, mating hardware, revision and approved configuration. A similar article number does not establish direct interchangeability.
