

3500 SYSTEM RACK

Product Data Sheet

3500/05-01-02-00-00-01

Full-size system rack

FUNCTION Full-size system rack	FAMILY 3500 System rack	ORIGIN United States	WEIGHT 8 kg
-----------------------------------	----------------------------	-------------------------	----------------

Bently Nevada 3500/05-01-02-00-00-01 is a Full-size system rack for the 3500 System rack. The values below are limited to the exact documented article.

01

VERIFIED TECHNICAL DATA

Rack Size	19-inch full-size rack
Available Slots	14 monitor module positions
Mounting Option	19-inch rack mount
Wiring Access	Rear-access I/O connections
Power Supply Position	Far-left rack positions
RIM Position	Far-left communication position
Backplane Function	Module communication and power distribution
Approval Option	Order-code 01 compliance option
Rack Order Code	3500/05-01-02-00-00-01
Commissioning Check	Verify power, RIM and slot communication

- Apply the 14-slot monitor housing: Use 3500/05-01-02-00-00-01 for 19-inch rack mount within the documented 3500 System rack. Confirm identity, installation position and the controlled system record before work.
- Prepare the rear-access rack wiring: Record order-code 01 compliance option, adjacent hardware, cable or fastener arrangement and the applicable manufacturer instructions before removal.
- Complete the rack power and communication check: Verify power, RIM and slot communication. Review diagnostics or mechanical retention and save the final result before release.

Match 3500/05-01-02-00-00-01 to the installed 3500 System rack, complete wiring, mating hardware, revision and approved configuration. A similar article number does not establish direct interchangeability.
