01

VERIFIED TECHNICAL DATA

Accessory Type	Full-height blank monitor cover kit
Kit Number	130768-01
Front Panel	130944-01 blank front panel
I/O Cover	128031-01 module cover
Rack Family	Bently Nevada 3500 System
Installation Role	Close an unused full-height position
Mounting Location	Monitor and I/O sides of rack
Included Hardware	Specified cover screws
Safety Function	Limits access and contamination
Commissioning Check	Inspect both covers and fasteners

- Apply the unused monitor-slot closure: Use 130768-01 for 130944-01 blank front panel within the documented 3500 System rack accessories. Confirm identity, installation position and the controlled system record before work.
- Prepare the front and I/O cover fit: Record specified cover screws, adjacent hardware, cable or fastener arrangement and the applicable manufacturer instructions before removal.
- Complete the rack protection inspection: Inspect both covers and fasteners. Review diagnostics or mechanical retention and save the final result before release.

Match 130768-01 to the installed 3500 System rack accessories, complete wiring, mating hardware, revision and approved configuration. A similar article number does not establish direct interchangeability.
