

SINAMICS CONVERTER REPAIR PARTS

Product Data Sheet

A5E01237890

Converter interface circuit board

FUNCTION	FAMILY	ORIGIN	WEIGHT
Converter interface circuit board	SINAMICS converter repair parts	Germany	0.35 kg

Siemens SINAMICS A5E01237890 is a Converter interface circuit board for the SINAMICS converter repair parts. The values below are limited to the exact documented article.

01

VERIFIED TECHNICAL DATA

Component Class	Converter interface circuit board
Drive Family	SINAMICS converter repair parts
Primary Function	Coordinates converter I/O and diagnostic feedback
Power Architecture	Digital interface electronics
Voltage Class	Installed converter class
Current Rating	Signal-level control channels
Control Supply	24 V DC control class
Power Section	Converter interface section
Mechanical Design	Service printed-circuit board
Electrical Interface	Command, feedback and bus plugs

ADDITIONAL PRODUCT DATA

Cooling Integration	Cabinet ambient cooling
Board Designation	A5E01237890 interface board
Service Role	Drive electronics repair spare
Product Status	Siemens service part
Commissioning Check	Confirm revision and channel scaling

OFFICIAL APPLICATIONS

- Apply the A5E01237890 interface board: Use A5E01237890 to coordinates converter i/o and diagnostic feedback in the documented SINAMICS converter repair parts. Confirm the installed section, electrical class and controlled drawing before intervention.
- Match the Command, feedback and bus plugs: Record the exact board marking, connector keying, adjacent assemblies, cable routing and protective-earth arrangement. Preserve the documented A5E01237890 interface board interface during exchange.
- Validate the Confirm revision and channel scaling: After installation, confirm revision and channel scaling. Review Siemens drive diagnostics, capture the final test results and release the affected machine function through the site procedure.

SYSTEM COMPATIBILITY

Match A5E01237890 to the installed SINAMICS converter repair parts, complete wiring, mating hardware, revision and approved configuration. A similar article number does not establish direct interchangeability.
