

ABB BAILEY

Product Data Sheet

1.17.1109.00

termination interface module

FUNCTION termination interface module	FAMILY ABB Bailey	ORIGIN Germany	WEIGHT 0.3 kg
--	----------------------	-------------------	------------------

ABB Bailey 1.17.1109.00 is a termination interface module for the ABB Bailey. The values below are limited to the exact documented article.

01

VERIFIED TECHNICAL DATA

Manufacturer	ABB
Exact Article Code	1.17.1109.00
Product Family	ABB Bailey
Component Type	Termination Interface Module
System Class	DCS System
Mounting Format	Plug-in control rack
System Interface	Manufacturer backplane bus
Control Supply	24 V DC control class
Channel Capacity	Model-defined channel set
Signal Standard	System-specific I/O levels

ADDITIONAL PRODUCT DATA

Electrical Isolation	Isolated field circuits
Operating Temperature	0 to +55 °C cabinet range
Protection Level	IP20 installed equipment
Configuration Tool	Manufacturer engineering software
Commissioning Test	I/O and diagnostic functional test

OFFICIAL APPLICATIONS

- Operate the documented termination interface module: Use 1.17.1109.00 in the specified ABB Bailey position with the documented supply, signal range and system interface. Match the complete article code and installed rack records before service.
- Restore every documented connection: Record terminal numbers, connector keying, rack position, shields and protective earth for 1.17.1109.00. Preserve the approved ABB configuration and cable routing during exchange.
- Validate the restored control function: After fitting 1.17.1109.00, check power and module diagnostics, then test the affected I/O, communication, controller or measurement function at a safe operating point and record acceptance.

SYSTEM COMPATIBILITY

Match 1.17.1109.00 to the installed ABB Bailey, complete wiring, mating hardware, revision and approved configuration. A similar article number does not establish direct interchangeability.
