SIMATIC industrial flat panel

FUNCTION SIMATIC industrial flat panel	FAMILY SIMATIC industrial display systems	ORIGIN Germany	WEIGHT Confirm before dispatch
--	---	--------------------------	--

Siemens Simatic HMI 6AV7260-0DA10-0XX5 is a SIMATIC industrial flat panel for the SIMATIC industrial display systems. The values below are limited to the exact documented article.

01

VERIFIED TECHNICAL DATA

Exact Article Code	6AV7260-0DA10-0XX5
Product Class	Simatic Industrial Flat Panel
Product Family	SIMATIC industrial display systems
Supply Voltage	24 V DC
Display Type	Industrial TFT operator display
Touch Input	Resistive touch screen
Communication	PROFINET Ethernet
Serial Interface	RS 422/485 class
USB Interface	Host or device port
Configuration	WinCC engineering software

ADDITIONAL PRODUCT DATA

Alarm Buffer	Retentive message archive
Front Protection	IP65 installed
Operating Temperature	0 to +50 °C class

OFFICIAL APPLICATIONS

- Observe carton forming with Simatic Industrial: As part of the blank feeders and folding stations, 6AV7260-0DA10-0XX5 performs its assigned control role as a SIMATIC industrial flat panel. During registration correction, the system uses this function to apply the selected format to the machine sequence, helping it produce the intended package geometry.
- Coordinate robotic handling with Simatic Industrial: As part of the robots, grippers and transfer fixtures, 6AV7260-0DA10-0XX5 handles its designated signal or control duty as a SIMATIC industrial flat panel. During fault recovery, the system uses this function to restore the cell from a defined intermediate state, helping it resume material flow without losing part identity.
- Coordinate chemical dosing with Simatic Industrial: For the coordinated operation of the metering pumps and contact tanks, 6AV7260-0DA10-0XX5 provides its specified system function as a SIMATIC industrial flat panel. During dose-setpoint correction, the system uses this function to match reagent flow to the measured process load, helping it keep treatment chemistry inside its operating target.

SYSTEM COMPATIBILITY

Match 6AV7260-0DA10-0XX5 to the installed SIMATIC industrial display systems, complete wiring, mating hardware, revision and approved configuration. A similar article number does not establish direct interchangeability.
