

POWER SUPPLY CONVERTER MODULE

Product Data Sheet

LXN1604-6

power supply converter module

FUNCTION power supply converter module	FAMILY power supply converter module	ORIGIN Switzerland	WEIGHT See quotation
---	---	-----------------------	-------------------------

POWER ONE LXN1604-6 is a power supply converter module for the power supply converter module. The values below are limited to the exact documented article.

01

VERIFIED TECHNICAL DATA

Unit Function	Power converter module
Conversion Stage	AC-DC and DC-DC
System Use	Industrial power supply
Protection	Input and output protection
Diagnostics	Supply status
Mounting Context	Power cabinet
Cooling Method	Forced cabinet cooling
Replacement Check	Article code and revision

- Control and protection cabinets: Equipment Control Systems
- Process monitoring and drive systems: Process Interface Systems
- Machine and panel automation: Industrial Control Systems

Match LXN1604-6 to the installed power supply converter module, complete wiring, mating hardware, revision and approved configuration. A similar article number does not establish direct interchangeability.
