

VERSAMAX EXPANSION CABLES

Product Data Sheet

IC200CBL600C

rack expansion cable

FUNCTION rack expansion cable	FAMILY VersaMax expansion cables	ORIGIN United States	WEIGHT 0.50 kg
---	--	--------------------------------	--------------------------

GE VersaMax IC200CBL600C is a rack expansion cable for the VersaMax expansion cables. The values below are limited to the exact documented article.

01

VERIFIED TECHNICAL DATA

Cable Function	Rack expansion
Cable Length	0.6 m
Connector Ends	Two keyed connectors
Supported Platform	VersaMax I/O
Signal Type	Expansion bus
Shielding	Overall shielded cable
Installation	Between expansion transmit and receive ports
Minimum Bend Radius	Follow cable routing limits

- Refinery separation and storage areas: Drive Coordination Systems
- Solvent recovery and dosing rooms: Quality Inspection Systems
- Sterile filling and packaging cells: Process Control Systems

Match IC200CBL600C to the installed VersaMax expansion cables, complete wiring, mating hardware, revision and approved configuration. A similar article number does not establish direct interchangeability.
