Product Revision History

Revision	Date	Description
IC200ALG230L IC200ALG230CAL IC200ALG230LTL IC200ALG260L IC200ALG260CAL IC200ALG260LTL	Jul 2021	Addresses a component obsolescence issue and adds RoHS compliance.
IC200ALG230K IC200ALG260K	Nov 2019	Following Emerson's acquisition of this product, changes have been made to apply appropriate branding and registration of the product with required certification agencies. No changes to material, process, form, fit or functionality.
IC200ALG230J IC200ALG260J	Mar 2017	EU RoHS compliant module per directive 2011/65/EU dated 8-June-2011. No changes to features, performance or compatibility.
IC200ALG230H IC200ALG260H	Jan 2012	Label change. No changes to features, performance or compatibility.
IC200ALG230F IC200ALG260F	Sep 2010	Manufacturing location change. No changes to functions, operation or compatibility.
IC200ALG230E BXIOAI4E IC200ALG260E BXIOAI8E	Oct 2008	Updated Power Supply OK signal circuitry.
IC200ALG230D BXIOAI4D IC200ALG260D BXIOAI8D	Apr 2005	Improvement to latching mechanism.
IC200ALG230C IC200ALG260C	Apr 2004	Changed to V0 plastic for module housing.
BXIOAI4C BXIOAI8C	Jan 2004	ATEX approval for Group 2 Category 3 applications. Changed to V0 plastic for module housing.
IC200ALG230B IC200ALG260B	Jan 2004	ATEX approval for Group 2 Category 3 applications.
IC200ALG230A BXIOAI4A IC200ALG260A BXIOAI8A		Initial product release

⚠ CAUTION

If hot insertion of a module is done improperly, the operation of other modules on the same backplane may be disrupted. For proper installation of module on a carrier refer to Installing a Module on a Carrier in Chapter 2 of the VersaMax Modules Manual, GFK-1504.
