

ABB SACE EMAX AND TMAX T ACCESSORIES

Product Data Sheet

SPA YO/YC 1SDA038292R1

shunt opening release

FUNCTION shunt opening release	FAMILY ABB SACE Emax and Tmax	ORIGIN Italy	WEIGHT 0.70 kg
-----------------------------------	----------------------------------	-----------------	-------------------

ABB SPA YO/YC 1SDA038292R1 is a shunt opening release for the ABB SACE Emax and Tmax T accessories. The values below are limited to the exact documented article.

01

VERIFIED TECHNICAL DATA

Release function	Shunt opening release
Rated control voltage	220 to 240 V AC/DC
Current type	AC/DC
Compatible breaker frames	E1, E2, E3, E4, E6 and T8
Product class	SACE Emax and SACE Tmax T
Configuration	Loose or configurable
Applicable standard	IEC
ABB E-number	4376616
EAN	8015644382926
REACH declaration	9AKK108466A1425

ADDITIONAL PRODUCT DATA

RoHS declaration	9AKK108466A1424
RoHS conformity	EU 2011/65/EU and 2015/863
WEEE category	Category 5 small equipment

OFFICIAL APPLICATIONS

- Generator breaker remote-trip circuits: Low-voltage Protection Systems
- Wind-turbine switchgear trip circuits: Power Distribution Systems
- Process switchboard shutdown circuits: Electrical Safety Systems

SYSTEM COMPATIBILITY

Match SPA YO/YC 1SDA038292R1 to the installed ABB SACE Emax and Tmax T accessories, complete wiring, mating hardware, revision and approved configuration. A similar article number does not establish direct interchangeability.
