Flash EPROM memory card, 2 MB

|                            |            |         |                          |
|----------------------------|------------|---------|--------------------------|
| FUNCTION                   | FAMILY     | ORIGIN  | WEIGHT                   |
| Flash EPROM memory card, 2 | SIMATIC S5 | Germany | Confirmed with quotation |

Siemens 6ES5374-2KL21 is a Flash EPROM memory card, 2 MB for the SIMATIC S5. The values below are limited to the exact documented article.

01

## VERIFIED TECHNICAL DATA

|                     |                              |
|---------------------|------------------------------|
| Product family      | SIMATIC S5                   |
| Product designation | 374 memory card, long type   |
| Module type         | Program memory card          |
| Memory technology   | Flash EPROM                  |
| Memory capacity     | 2 MB                         |
| Operating voltage   | 5 V DC only                  |
| Data retention      | Nonvolatile                  |
| Mechanical format   | Long memory card             |
| Storage role        | PLC program and data storage |
| Host platform       | Compatible SIMATIC S5 CPUs   |

|                      |                                                   |
|----------------------|---------------------------------------------------|
| Programming context  | SIMATIC S5 programming equipment or supported CPU |
| Rewrite capability   | Electrically erasable and reprogrammable          |
| System interface     | SIMATIC S5 memory-card slot                       |
| Handling requirement | ESD-sensitive electronic memory                   |
| Documentation family | SIMATIC S5 374 Flash EPROM cards                  |

- Industrial manufacturing: Discrete and continuous production
- Water and wastewater: Municipal and industrial treatment
- Power generation: Thermal, hydroelectric and renewable generation

Match 6ES5374-2KL21 to the installed SIMATIC S5, complete wiring, mating hardware, revision and approved configuration. A similar article number does not establish direct interchangeability.
