

SIMATIC ET 200PRO FC-2

Product Data Sheet

6SL3260-2TA00-0AA0

ET 200pro backplane module

FUNCTION ET 200pro backplane module	FAMILY SIMATIC ET 200pro FC-2	ORIGIN Germany	WEIGHT 0.20 kg
--	----------------------------------	-------------------	-------------------

Siemens 6SL3260-2TA00-0AA0 is a ET 200pro backplane module for the SIMATIC ET 200pro FC-2. The values below are limited to the exact documented article.

01

VERIFIED TECHNICAL DATA

Module function	Frequency-converter backplane bus module
Module width	155 mm
Applicable converter	ET 200pro FC-2
Operating requirement	Required for converter operation
Packaging quantity	1 piece
EAN	4019169456906
Commodity code	85049090
Product group	2247

- Institutional and Retail Buildings: Institutional and public buildings; Retail and commercial properties
- Batch and Continuous Chemical Production: Batch chemical and pharmaceutical production; Continuous chemical and materials processing
- Upstream and Refining Production: Upstream oil and gas production; Petroleum refining and terminal operations

Match 6SL3260-2TA00-0AA0 to the installed SIMATIC ET 200pro FC-2, complete wiring, mating hardware, revision and approved configuration. A similar article number does not establish direct interchangeability.
