HONEYWELL HC900

Product Data Sheet

900G01-0102

HC900 sixteen-channel contact input module

FUNCTION	FAMILY	ORIGIN	WEIGHT
HC900 sixteen-channel contact input mo	Honeywell HC900	United States	0.45 kg

Honeywell 900G01-0102 is a HC900 sixteen-channel contact input module for the Honeywell HC900. The values below are limited to the exact documented article.

01 VERIFIED TECHNICAL DATA

Module designation	Digital input contact type
Input channels	16
Controller family	HC900 Process Controller
Input type	Dry contact / discrete input
Backplane interface	HC900 I/O rack
Channel indication	Module status diagnostics
Field wiring	Removable terminal assembly
Isolation	Field-to-logic isolation
Input scan	Controller cycle dependent
Configuration software	HC Designer

Technical values are limited to the exact manufacturer record and applicable official manual.

02 ADDITIONAL PRODUCT DATA

Module addressing	Rack and slot assigned
Application	Discrete state acquisition
Maintenance	Hot-swap only per HC900 instructions
Manual reference	51-52-25-107
Product code	900G01-0102

03 OFFICIAL APPLICATIONS

- Institutional Retail and Commercial Properties: Institutional property and utility management; Retail and commercial property management
- Warehousing Distribution and Material Flow: Warehouse distribution and order fulfilment; Material flow and intralogistics distribution
- Vehicle and Automotive Component Production: Vehicle assembly and component production; Automotive electronics and precision manufacturing

04 SYSTEM COMPATIBILITY

Match 900G01-0102 to the installed Honeywell HC900, complete wiring, mating hardware, revision and approved configuration. A similar article number does not establish direct interchangeability.

05 OFFICIAL SOURCES

Official Honeywell product documentation for 900G01-0102

Manufacturer documentation used for the verified product record.
