AMIKON TECHNICAL DOCUMENTATION

Product Data Sheet

HIEE300698R1

Rack Power Supply Module

TYPE	REFERENCE	FAMILY	SCOPE
Rack Power Supply Module	**HIEE300698R1**	**KU C321 AE**	**Nameplate evidence**

The pictured ABB power pack carries HIEE300698R1 and KU C321 AE markings. Its power conversion assembly has a DC input label and two rear rack connectors. Use the complete R1 marking to distinguish this item from other KU C321 units that have a similar layout.

01 DOCUMENTED PRODUCT REFERENCE

Converter DC input range	21-26.4 V DC on the pictured converter label

The electrical value is transcribed from the pictured converter label, not a family specification.

02 TECHNICAL DATA

Rear rack connectors	Two visible connectors; pin assignment not specified

03 APPLICATION AND CONFIGURATION

- Match HIEE300698R1 on the original label
- Compare the two rack connectors with the installed unit
- Verify the marked DC input range on the offered unit
- Do not substitute R0001 ratings for the R1 assembly
- Use the applicable manufacturer safety and installation instructions.

04 OFFICIAL DOCUMENTATION

Manufacturer markings on the pictured assembly

ABB HIEE300698R1 and KU C321 AE identifiers; converter label on the pictured unit. Verify the supplied unit label.

Independently prepared Amikon reference summary, not an original manufacturer manual. Ratings apply only under their documented conditions. Confirm the supplied marking and approved configuration before selection, installation or replacement.
